

TEDDY TIMES

April 2023

Summer Term - First Half

We have been developing and understanding our emotions and feelings during our last topic of 'Emotions and Wellbeing'. The children have enjoyed making emotion clouds and monster faces, taking selfies and learning and playing snap game with pictures of different emotions.

Our new topic for this half-term is 'Growing and Mini Beasts'. We have already started with planting sunflower seeds and will be planting carrots, parsnips and radishes in our planting area outside. Our role play area has been turned into a cosy home corner which the children are enjoying.

Coronation

We would like to hold a Party lunch to celebrate the up-and-coming Coronation of our new King Charles III. The date for this celebration will be Friday 5th May 2023.

If possible, could parents supply a plate of party food instead of lunch, we will post some ideas on the Parent's Facebook Group, where you could please comment on which item your child will bring so we have a varied selection of food.

If your child does not normally attend Preschool on this day, then please speak to a member of staff. The party will be from 11:00am to 1:00pm. This is so we can make sure that we have the correct number of staff to children (ratio).

Two Year Checks

If your child is having their 2-year check with a Health Visitor, could you please let us know as soon as possible. This is a statutory requirement for us to provide you with a short-written summary of your child's development in the prime areas of learning.
